SECTION VI – ROUND ROBIN

- 34. There are 2 major goals of the Round Robin Competition
 - To give exhibitors exposure to other species of animals that they have little or no experience of showing and to help these exhibitors learn more about each species.
 - To give exhibitors a chance to step into an educational role with their own animals and help youth learn more about showing and caring for a species that they haven't spent much time with.
- 35. Age Divisions: (age of Jan 1 of the current year)
 - Junior- 8-11
 - Intermediate- 12-15
 - Senior- 16 and older

goat, a pen of rabbits, and a steer, and they choose to show their own steer, they must show someone else's animal in the other species divisions.

43. First place in each class will get 15 points; Second place will get 14, etc. etc. all the way down to 10th place receiving 6 points. Anyone participating and not getting top 10 honors will receive 5 points for participating.
44. At the Awards ceremony, we will announce the TOP 5 Overall Round Robin Exhibitor Lineups in each age division by adding up their total number of points from their BEST 5 SPECIES.
45. To qualify for top 5 overall, AN EXHIBITOR MUST PARTICIPATE IN 5 OR MORE SPECIES DIVISIONS. As stated above, only 5 counts towards their total, meaning if they show all 6 species, they'll get to drop their low score.
